Foster/Adoption Guidelines: If you are interested in fostering or adopting one of our rescues, please complete this application form, mail it to the above address and we will contact you to make an appointment for a personal visit. We do not know the entire history of all of our rescue horses; we do our best to share with you our observations but cannot guarantee health, soundness, trainability or appropriateness for a specific discipline. We are always honest with potential adopters. Please go to our website for more information on our foster/adoption process. Direct questions to:
